TALK OF THE TOWN

Annual Easter sale and supper, Congregational church, April 9.—adv.
Auction sale at City Auction Market, Saturday at 1 and 7:30 p. m. See adv.—adv.

Public dance, Socialist block, Saturday night, benefit Lodovico Cecchini; orchestra, Landi-Forsell.—adv.

Rev. David C. Huntington, rector of the Church of the Good Shepherd, will preach a Lenten sermon at the church Friday evening at 7:30.

All those who took part in the ever-member canvass of last December are requested to be present at a special meeting of the committee in the Congregational church vestry at 8:30 to-night.

Word has been received by Mrs. William St. John that her brother, Pvt. Malcolm MacIver, landed in New York March 14 on the transport, President Wilson, and is now at Camp Mills. Pvt. MacIver was a member of the tank corps.

The city meeting to be held at the Barre opera house to-night to vote salaries for certain city officials will be called to order at 7:30 o'clock. The specific business on hand is to fix the salary for the city clerk and city treasurer and to fix the compensation for auditors, auditors and assessors for the ensuing year.

Several students of the University of Vermont and Norwich left on the afternoon train yesterday for Burlington and Northfield. Those leaving for the former place were Aiden Burke, Allen Caffee of Washington. Those for the latter school were Laurence Kent, Earl Lane, Lowell Brown, Theron Morse and Robert Barclay.

Complaints continue to come in from different parts of the city that boys and some who are not boys, are killing off the robins and other birds which the recent snow has forced to find food and shelter in the bushes and vines in gardens and yards. The destruction of these birds now will mean more bugs and worms in this coming summer and to fix the matter of self-protection, if for no other reason, should be stopped.

The regular meeting of Cobble Hill grange was held Tuesday evening with a good attendance. Regular routine work occupied the evening. The names of 24 new candidates were presented and referred to the investigating committee. The following program was given: Song, grange; current events, Reginald Kendall; roll call, answered by anecdotes; violin solo, Marjorie Smith; reading, J. K. Thurston; April 1st hit, A. L. Smith; observation contest, grange; piano solo, with encore, Mrs. St. John. It is hoped that all roads will lead to the grange hall Friday evening, when the second new sugar social will be held. All the friends are cordially invited to come and enjoy a good time. Sugar will be served at 9 o'clock.

Of course you are going "Over the Top" Tuesday and Wednesday evenings, April 8 and 9. It is positively your last chance, and a pleasant experience is in store for you. Cuddy Duncan goes over with "Tony" and many of your other good friends, who with their histrionic ability will entertain you. There will be piles of good music with Landi's orchestra, picturesque old-fashioned costumes and a strong cast to handle the beautiful story of "A Man Without a Country." And the children—they will surely please you, from the sturdy sailors and soldiers to the little tots of three years old in "Somewhere in France is Daddy." It's an evening full of rare enjoyment to you all. Of course you are going—adv.
